Honorable Commissioner for Patents

Sir:

Applicant, by the undersigned attorney hereby requests an Extension of Time to respond to the outstanding Official Action dated 12 July 2007. This Extension of Time is necessitated due to the fact that there apparently was a clerical error at the U.S. Patent and Trademark Office which has given this application the status of "Interference--Initial Memorandum".

In fact, the application had been placed in condition for allowance and the Examiner has indicated to the undersigned attorney that there was an indication of allowability. However, apparently the Examiner cannot enter the remaining papers while the application has the current status (Examiner's explanation). Thus, in order to avoid the six month statutory bar, the undersigned attorney is

requesting an Extension of Time of three months to respond and will be filing concurrently a Notice of Appeal.

It is to be understood that the undersigned attorney will be requesting a refund of the Extension of Time fees in this case due to the fact that the case has been held up, misdocketed and apparently been given an incorrect "status" by the U.S. Patent and Trademark Office and the issuance of the Notice of Allowance and the resulting Patent has been impeded by this clerical error.

The Honorable Director of Patents and Trademarks is hereby authorized to charge Deposit Account 18-2011 for the charge of a three month, small entity Extension of Time in the amount of \$525.00.

Respectfully submitted,
